

Welcome to my monthly Author updates, where I share my publishing journey and exciting events!

∞ I am very excited to release the COVER REVEAL for **Keys to Eternity**, the final book in **The De-Coding of Jo Series** to my subscribers! Over the past two years, it has been an honor to write inspiring and empowering novels of self-actualization. Thank you to all of my readers, esteemed colleagues, and incredible friends who have contributed to the success of this publication. Cover designed by Larch Gallagher. The launch date is expected to be in July 2022!

A Phantom Cult
A Shattering Deception
A Powerful Prophecy

Lust, greed, destruction. Humanity has fallen into an inverted matrix. Menacing energy vampires are hunting Jo's best friends and siphoning the souls of StarSeeds. To save everyone she loves from extinction, Jo must collapse the false Phantom timeline using Stargate portals and time hops into the ancient Age of Lemuria.

Jo and Alicia reunite with Roma and legendary mythical Warriors. They trek through the enchanted Luminary Realms to fulfill the violet flame prophecy of the seven Eternal Archive Spheres. As the Plague of Chaos descends on innocence, the chosen Master Alchemist must embody Metatron's organic keys to resurrect the modern timeline.

"A dramatic dichotomy between chaos and coherence, threatening cataclysmic consequences. Jo must survive one final adventure as the end begins... an epic finale to a stupendous series. Love has crafted a stunning literary realm. 5 of the brightest stars in the sky." —**Author Halo Scot, The Rift Cycle Series, Heartbeat of a Million Dreams**
