***Thank you for subscribing to my Newsletter and welcome to my monthly Author updates, where I share my publishing journey and exciting events!***

- ∞ Harmonious November blessings beautiful Souls! I took a much-needed mental health break from my publishing duties. While juggling work and life balance, I found myself in burnout mode with social media promotions and marketing. I was grateful for the opportunity to travel back to the Amalfi Coast, Italy to rest, re-calibrate, and rejuvenate. It was a magical and healing experience, and I can't wait to share my upcoming mental health work in progress for 2023!
- ∞ I am so excited to travel to Miami, Florida to receive the Gold Medal Award for ***The De-Coding of Jo***, YA paranormal science fiction fantasy book of the Ascending Angel Academy series on Nov. 19<sup>th</sup>. I will be signing books at the Miami Book Festival that weekend as well. My debut novel, ***Heart of a Warrior Angel*** has also received a Bronze medal in the Thriller category.
- ∞ Stay tuned for free audiobook giveaways of ***Blade of Truth***, produced and narrated by Christa Rimmer on Audible just in time for the holidays. ***Keys to Eternity*** audiobook will also be released in December 2022 for my US and UK readers!
- ∞ I'm planning a live book signing event for ***Blade of Truth*** at Indigo/Chapters Bookstore on January 21, 2023. Reading from all three books in the Ascending Angel Academy series should be a lot of fun. Thank you to my Ravens and Roses publishing team for creating a fantastic banner for the event. Please follow my TikTok account, **AuthorLaliALove**, as I will be posting pictures there. Your endorsement and reviews for indie authors on all social media platforms are greatly appreciated.
