QueerIndie Youth Lit Awards for Blade of Truth!

I'm so grateful for the incredible support I've received on Twitter from all the beautiful hearts that voted for The De-Coding of Jo Series!

Thank you for subscribing to my Newsletter and welcome to my monthly Author updates, where I share my publishing journey and exciting events!

- ∞ I'm excited to announce that I have completed writing my first draft manuscript for the final book in **The De-Coding of Jo Series, Keys to Eternity!** This epic fantasy science fiction literally transcends space and time, propelling Jo into another alternate Universe. I am currently working with my graphics designer, Larch Gallagher, for the book cover design and I can't wait to share!
- ∞ The editing process for Keys to Eternity will begin shortly but if anyone is interested in beta reading, please reach out via email or DM me on social media. *Will Jo embody the Eternal Codes required to graduate from the Angel Academy and liberate her dormant power to escape death?*
- ∞ My heartfelt gratitude to **Halo Scot, Dr. Mario Dell'Olio, A.C. Merkel, and Ash Knight of Queer Indie** for awarding the Queer Lit Youth Gold Awards to **The De-Coding of Jo Series!** I am humbled and feel very blessed to be a part of this incredibly talented and generous creative family. This award is my favorite to receive since it melts my heart. I strongly advise everyone to follow them on Twitter and read their 5-star, life-changing books!
- ∞ Thank you to everyone who has downloaded the **Organic eMotions** and **Ananda** poetry books. Both of these titles have ranked top #5 of Amazon's Best Seller list for the month of February. I am always elated to receive your reviews.

SPOTLIGHT:

- ∞ I had the great honor and pleasure of reading the advanced reader's copy of **Letters from Italy** by the fabulous **Dr. Mario Dell'Olio**.
