2021 NYC Big Book Award Winner in Poetry Anthology!

So thrilled and grateful to have received this award to celebrate all the amazing artists showcased!

Thank you for subscribing to my Newsletter and welcome to my monthly Author updates, where I share my publishing journey and exciting events!

- ∞ Congratulations to the artists that have shared their incredible artwork and creations for **The Joy of I.T.** hardback, full color, coffee table poetry, insight, and art book. I'm so grateful to have received the **NYC Big Book Award for this Anthology**, featuring the generous contributions of healing poetry by Gillian Small and visionary mixed media artwork by Aurelien PumaYana Floret, Michelle Aristocrat, Autumn Skye, and Daniel Holeman. A perfect gift for the holidays, available on Amazon!
- ∞ I'm super excited for the launch of my latest collection, **Organic eMotions: Poetry for hUmAnITY**, with the release date of 12.12.21 by Ravens & Roses Publishing. The activating poems include elements of nostalgic, narrative, lyrical form of healing philosophies that aim to increase awareness within the deeper layers of the human psyche and emotional body, the vortex of liberation. My sincerest gratitude to Julie Kusma for this incredible book cover design that captures the essence of collective rebirth.
- ∞ Please stay tuned for the Pre-Order date in November, you won't want to miss the pre-sale opportunity and book giveaways for this masterpiece on <https://ravensandrosespublishing.com/>

SPOTLIGHT:

- ∞ I had the honor and absolute pleasure of reviewing the advanced reader copy of the poetry creation by Derek R. King and Julie L. Kusma, **Honey: Words to Heal and Mend**, releasing on Nov. 12th. Mark your calendars, you won't want to miss this exquisite coffee table book that adorns any room as well as the spirit.

5 Star Review:

"WOW! A golden, enriching symphony of artistic brilliance and beauty for the revival of the soul!"
